Weekly Activity View for Eagles

Dear Osler Community,

As we wrap up our first week of school, I want to extend my sincere thanks to our entire school community for helping make it such a positive and successful start to the year.

It was truly inspiring to see the excitement, energy, and enthusiasm in our hallways and classrooms on the very first day of school. That sense of optimism and engagement has continued throughout the week, creating a welcoming environment where students are already connecting, learning, and thriving.

Today also marked the launch of our cafeteria service. A special thank you goes to our Beta 3 Foods class for all of their hard work preparing and serving lunch today. Their dedication, teamwork, and commitment to providing this service for our school community are greatly appreciated.

A very special thank you to our students for their positive start, to our caregivers and families for your partnership and support, and to our staff for the care and commitment you bring to our school each day. Together, we are supporting a strong and vibrant school community, and I am excited for all that lies ahead this year.

Have a wonderful weekend, and we look forward to seeing everyone next week. Go Eagles!

W.A.V.E.
