Weekly Activity View for Eagles

Dear Osler Community,

Our Students and Staff have enjoyed a great week at Osler.

Today, Osler leaned into our school wide Terry Fox event! A special thank you to Ms. King and Mr. Augustine for their work to organize and coordinate this event. Thank you to all staff and students for demonstrating that strength comes in many forms, and that every effort counts. Our school took to the track to remember what Terry Fox showed Canadians - that courage, determination, and hope can make a

difference. Together, we celebrated perseverance, inclusion, and the importance of working toward a world without cancer.

Eagles, you all are an important part of our Osler team and made our Terry Fox event amazing!

School Council - Elections

Please consider joining our Sir William Osler School Council. The role of our school council is to improve student achievement and enhance the accountability of the education system to parents and caregivers.

Our first School Council meeting of the year will be on Tuesday, October 13th at 7:00 pm.

For our first meeting we will welcome caregivers and parents in a hybrid format. We will meet in person in the Library and also provide a link for those who wish to join remotely.

Please consider joining us - all are welcome. At this meeting the School Council will wrap up any business from last year and conduct the Council Elections for the 2026-27 school year.

Information regarding the role of School Councils and Responsibilities are outlined on the TDSB website here - [School Councils](#)

Please find the link to the nomination form for parents/guardians/caregivers who are interested in being nominated to be a part of the Sir William Osler School Council here: [Sir William Osler School Council Nomination Form](#)

Once all nominations are accepted, the members of the council will determine who will hold the executive positions.

The deadline to submit a nomination form is Monday, October 12th at 4:00pm.

Please let me know if you have any questions or concerns.

Looking forward to connecting with you!
