Weekly Activity View for Eagles

Dear Osler Community,

School Council - Elections

Please consider joining our Sir William Osler School Council. The role of our school council is to improve student achievement and enhance the accountability of the education system to parents and caregivers.

Our first School Council meeting of the year will be on Tuesday, October 13th at 7:00 pm.

For our first meeting we will welcome caregivers and parents in a hybrid format. We will meet in person in the Library and also provide a link for those who wish to join remotely.

Please consider joining us - all are welcome. At this meeting the School Council will wrap up any business from last year and conduct the Council Elections for the 2026-27 school year.

Information regarding the role of School Councils and Responsibilities are outlined on the TDSB website here - [School Councils](#)

Please find the link to the nomination form for parents/guardians/caregivers who are interested in being nominated to be a part of the Sir William Osler School Council here: [Sir William Osler School Council Nomination Form](#)

Once all nominations are accepted, the members of the council will determine who will hold the executive positions.

The deadline to submit a nomination form is Monday, October 12th at 4:00pm.

Student Accident Insurance

The Toronto District School Board does not provide accident insurance coverage for student injuries that occur on school premises or during school organized activities. Treatment for student injuries can be costly to families and could extend over several years (example – dental treatment requiring follow-up in subsequent years as the child grows). In accordance with the *Education Act*, the TDSB has partnered with Study Insured to offer families Student Accident Insurance. Unlike previous years, a notification was not included in the start of the year forms.

Parents/guardians are responsible for deciding whether to purchase student accident insurance. The insurance program options range from \$17 to \$33 per year.
