Holiday Hampers

Thank you to those of you who donated to our **2023 Holiday Hamper** campaign. We are so grateful for the incredible generosity that has been shown once again by our school community. Thanks to your support, Sunnylea is able to help six families in need this year. All families received food gift cards as well as various family requests. Our wonderful TDSB social workers collected and delivered the hampers yesterday. There were definitely a few happy tears shed.

Staff Changes for January, 2024

Hello, my name is Owen and my class is doing an act of good citizenship and for my act, I am doing a used hockey equipment drive. All the equipment will be donated to George Bell arena and be given to those who are less fortunate so that they have the chance to play hockey. All equipment of any sizes including sticks and hockey bags is needed. George Bell hockey association offers a variety of programs. If you would like to donate, please drop the equipment at the front of the school in the box labelled "hockey". The donations stop on December 22nd, 2023. Thank you.
