Kindergarten Registration

Our kindergarten registration dates will be on **February 22 and February 27 between 1:00 PM and 5 PM**. We are registering students born in 2020 (JK) and 2019 (SK). Please call the school on or after February 1st to book an appointment. You will need two satisfactory proofs of address, **proof of immunization**, and either a birth certificate or a valid passport for your child. We will have packages ready for you by February 1st. Things run much more efficiently if you are able to pick them up early and complete them before your appointment. Please see attached information booklet.

Pokemon Cards

Pokemon cards, recess and class learning, don't mix well. We ask you to leave Pokemon cards

at home. If your child is in daycare, and you feel strongly that they should bring them for playing at the daycare, please have them leave the cards with the daycare staff in the morning, rather than leaving them in their backpack for the day.

GooseChase is coming back to Sunnylea February 22nd - 25th!

Attention Sunnylea Families!

Get ready to GooseChase **Thursday February 22nd - Sunday February 25th!**

GooseChase is a community spirit-building game that encourages Sunnylea families to accomplish missions to earn points, bragging rights, and even prizes!

Registration will open this **Friday, February 2nd** via SchoolCashOnline!

For more info, please email sunnyleagoosechase@gmail.com and see the GooseChase Overview, attached.

Feedback Request: Wednesday Lunch Provider

We have noticed a decline in lunch orders via PitaPit and want to ensure that we're offering a valuable service to parents through the Wednesday lunch program. We'd appreciate your response to [this survey](#) indicating if you'd like to see a new vendor option or continue to order from PitaPit.

Immunization in Schools Pupil Act (ISPA)

In Spring 2024, Toronto Public Health (TPH) will initiate the enforcement process of ISPA by sending letters to parents of 7 year old children (2016 cohort) who are outstanding for vaccines under the ISPA. If you have recently vaccinated your child, you can report this here: [Report Student Vaccination \(ISPA\) – City of Toronto](#)

The vaccines offered at community clinics include Diphtheria, Tetanus, Polio, Measles, Mumps, Rubella, Meningococcal Disease, Pertussis, Varicella, Human Papillomavirus, Hepatitis B, and others specified in Ontario's Immunization Schedule. Families can book an appointment to receive any missing doses at these community clinics at TPHBookings.ca.

Pizza Volunteers

We are looking for pizza day volunteers, especially for older grades. Please sign up [here](#).

End of Day - shoes up off the floor

Daycare parents please ensure that you have your child pick up their shoes and put it on top of their hook after school. This allows the caretakers to thoroughly clean the hallways. Our classroom teachers will reinforce this with all of the students, but we rely on parents of daycare students to reinforce this after hours.
