GooseChase:

This year's Sunnylea GooseChase saw 27 families come together across 10 teams to solve missions at home and around the community. The teams that completed all of the missions with participation from all families on the team were entered into a prize drawing. Congratulations to the Marvelous Munchkins (Sirenko and Pennal Families), who have received gift certificates to [Vibo Restaurant](#)! We would like to thank Vibo and [Caribou Gifts](#) for their generous sponsorship of this fundraiser. We are pleased to share that \$1,231.13 was raised for Sunnylea - thank you to all families that participated and/or donated.

Rukhsana Khan

Thank you to parent council for funding an author visit. This was a very thought provoking visit, and students enjoyed her readings.
