## Daycare

Please see attached information from our daycare.

## After School, Parking etc

Families who use the playground are NOT permitted to access the building or washrooms. The daycare ask that you do not buzz their door for this purpose. Yesterday one of our staff had their car damaged in the parking lot. We ask that you please exercise caution in our parking lot. We continue to see cars blocking in the parking area, rather than using other options like Grenview. I thank those of you who are following our safety rules and encourage those who are not to change their practice.
