Retirements: Mrs. MacLean, Mrs. Walker-Penyk, Ms. Stafford

Please see attached letters regarding the retirements of two tremendous teachers at Sunnylea: Mrs. MacLean and Mrs. Walker-Penyk. We wish them well as they start a new journey and thank them for their service to the Sunnylea Community.

Additionally, after 36 years with the board, I have decided to retire. I have delayed my decision to retire for 4 years now (past my "retirement date") because of my deep love for this community. I have been truly honoured to be the Sunnylea Principal for the last 6 years. I feel lucky to have worked alongside such an amazing staff, wonderful parent community and awesome students. I will miss serving this community, but am ready for my next adventures. I have been busy interviewing teachers, and will announce teacher placements at the June parent council meeting - followed by publishing the information in the newsletter mid-June. The replacement for principal is done at the board level by the superintendent. You will receive a letter from the superintendent when that decision is made - I'd expect that in the second half of June.
