This week.....

We had beautiful weather for our Earth Day clean-up on Wednesday and students worked hard to clean up our schoolyard.

Art Show - Thank you to all who were able to make it to our art show on Thursday afternoon. Students and staff worked hard to create beautiful pieces of art and many were connected to deeper learning and inquiry in the classroom. The choir sounded incredible

and we were happy to welcome families to the school to see all of the wonderful work and talent on display.

A big thank you to our parent council for their work at the bake sale and to all of the families who baked for it! It was definitely a hit and many went home with delicious treats to share.

Dance-a-thon Volunteer Sign-Up

We are so grateful for the wonderful enthusiasm and support from our parent community as we prepare for this exciting event.

To help ensure a safe and well-supervised environment for all students, **volunteer participation will be limited to two parents per class.**

At this time, we are unable to accommodate additional spectators, as student safety and security remain our top priority.

Volunteers will help supervise students in the gym during their child's assigned Dance-a-thon time.

Please note that all volunteers must have a current **Police Record Check (PRC)** on file with the school in order to participate.

If you are interested in volunteering, please sign up using the link below:
