## Holiday Hampers - THANK YOU!

THANK YOU all so very much for your generosity to fill the holiday hampers for our 6 families in need. The outpouring of support is tremendous. Special thank you to Jenni for organizing the spreadsheets for distribution and Laura and Christine for organizing all of the items and gift cards ready for pick-up on Monday. Your support is greatly appreciated!

## **2025 Book Fair**

The Scholastic Book Fair was a huge success. Thank you to all of our volunteers who gave up their time to make it such a success! Our total sales were \$9,920.95 and we made \$2,219.87 in profit for our school. We are planning to use these funds to continue to update and add to our decodable book collections for use in the classrooms.

## **TDSB Cell Phone/Device Policy**

Many students in the junior grades have smart watches with a number of features on them. The TDSB policy states that students in Grade 6 and below are required to either keep them out of view or powered off during the instructional day. Teachers have reported a few instances where students have been distracted by their watch in class or have used it to text or make calls. Please be reminded that students are not permitted to use any personal device to text friends or family members or make calls from them during the instructional day. If a student needs to contact home, they must come to the office and we will assist them in contacting the appropriate person. Similarly, if you need to reach your child, please call the main office and we will help you connect with your child.
