Friday, February 20 Day 2	Pizza Lunch Team Canada Spirit Day! Wear your red and white!

Learning Highlights

This week we celebrated the start of the 2026 winter Olympics. Classes made flags and shared facts about their assigned country at our opening assembly. We also learned about the Olympic values and the hard work and determination that is necessary in preparing for competition. Our morning announcements have been highlighting Canadian athletes and their accomplishments. GO CANADA!

[Dr. Ed Roldan](#)- On Thursday evening, we welcome Dr. Ed Roldan from Etobicoke Psychological Services who will present to parents on the topic of supporting your child to build healthy relationships and tips on how to build resilience and grit when things become difficult. The talk starts at 7 p.m. in our Gym. We hope to see you there!

Lice - Unfortunately, we have seen a few cases of lice this week. Please take a few minutes to check your child over the weekend as we do not want this to escalate as it did in the Fall. I highly recommend purchasing a lice comb from the drugstore to have on hand as it is an easy way to comb through and get a better look at any lice or eggs that may be attached to hair.

TSO Trip - Our whole school trip to the Toronto Symphony is coming up fast! Thank you to all of the parent volunteers that have agreed to come and support this experience. We still have a few outstanding payments so if you have not yet paid for the excursion, please use the link to Cashonline at the top of this newsletter to make payment.

Fun Fair Lead Needed - Our parent council is looking for someone to lead the organization of the Fun Fair for this year. If you are interested, please let me or the parent council know asap. If we don't have anyone committed to this position by the end of February, there will not be a fun fair this year and the parent council will consider other types of fundraisers for the Spring.
