Learning Highlights

On Tuesday, all students participated in an interactive presentation about school bus safety. Throughout the week, many classes learned about the

different cultural events happening such as Lunar New Year and the start of Ramadan leading to the celebration of Eid.

Dr. Ed Roldan- Thank you to all parents who came out to listen to Dr. Roldan's talk about navigating peer relationships and online friendships. The slideshow from the presentation is available in the body of this email.

Olympic Excitement - The energy and excitement in the school over the past two days has been incredible. The cheers and anticipation throughout both the women's hockey game yesterday and the men's today was amazing to watch. Students waving Canadian flags and hugging each other after each goal was heartwarming as memories were made that will last for years to come. GO CANADA GO!

Educator Visit - Today we hosted a visit for 14 educators from Brazil who are visiting Toronto and several TDSB schools to learn about Ontario's education system. Our visitors were impressed by our wonderful staff and amazing students. The group of educators were grateful for their time in the school and the opportunity to learn about the Ontario curriculum and best practices from our staff and students.

TSO Trip - On Wednesday, we will leave the school for Roy Thompson Hall at 9:00 a.m. and return to school at approximately 12:30 p.m. Students will have lunch upon return to school. Please ensure that your child arrives at school on time as we won't be able to wait for late students. We are looking forward to hearing "Let's Dance."
