TSO Trip - Our whole school trip to the TSO for “Let’s Dance” was a great experience. We heard the symphony play a number of pieces from around the world while accompanied by dancers. We saw ballet, hip hop, African dancing, Irish dancing, Bharanga and more! Here is a link to the youtube playlist should your child want to share their favourite songs. [Play List](#) Thank you to all of our parent volunteers who were able to join us and help supervise.

Math Website for Parents - The TDSB Math department has created a website for parents who wish to help with [Math at Home](#). It contains many resources as well as virtual manipulatives that can be used to support Math learning at home.

Sick Kids Saliva Testing - The Sick Kids saliva testing program will run until April 2, 2026. Please see their March Newsletter for details about the program this year.  [UPDATED_March_Newsletter_2026_STP.png](#)
