Learning Highlights

Ms. Breau's class has been engaged in the Roots of Empathy program and enjoyed a visit with Baby Charlotte this week. She is growing fast! Students explored feelings and how mom responds to the various ways that she communicates her feelings!

[Term 1 Report Cards](#)

Students will be bringing home their report cards on Tuesday. This is a great opportunity to discuss areas of strength and areas for growth. The TDSB has created a guide to the Provincial report card and it can be found here: [Parent Guide to the Report Card](#)

[Booking Parent/Teacher Interviews](#)

If your child's teacher has requested an interview or you would like to book an interview, please do so by Tuesday, Feb. 10 as the bookings will be closed at 4 p.m on Tuesday. www.schoolinterviews.ca The code is **sh2pf**. If you need to change or cancel your interview, please call the office as teachers don't always check their emails throughout the school day when they are with students.

[Smartwatches and Cell Phones at school](#)

TDSB Policy P106 determines how personal devices are to be managed at school for both staff and students. The policy states the following:

“ Students in grade 6 and below are required to store their Personal Mobile Devices out of view and powered off or set to silent mode throughout the full Instructional Day, except when their use is explicitly permitted by the Educator or Designated School Staff.”

At Sunnylea, despite making the policy known to students and families, we continue to witness a few students that do not adhere to the policy. Moving forward, if a student is using a smartwatch or cell phone at school, during the instructional day, the phone or smartwatch will need to be kept at the office during the school day. The student will need to pick up their device at the end of each day. PLEASE do not text your child during the school day. If you need to speak to your child or there is an urgent issue, please call the office. Thank you for your cooperation and support. .
