## Learning Highlights

This week, students were engaged in many different hands-on learning opportunities including fishing for letters, building patterns and writing about gratitude.

## Snow!

It was frustrating to arrive at the school on Friday morning to see that our parking lot had not been cleared properly which made it extremely difficult for families dropping off at daycare and staff. Facilities were notified and I learned that this was the case at many schools as the contractor could not keep up with the amount of snow that had fallen and the number of schools to get to. We apologize for the inconvenience that this may have caused. I hope that in future, they are able to do a thorough job in a reasonable amount of time.

## J.K. Registration Continues

TDSB Kindergarten registration for September 2026 is now open! To qualify for Junior Kindergarten in September, children must be four years of age by December 31, 2026. If you have a child or know of a family who does, please visit [www.tdsb.on.ca/kindergarten](http://www.tdsb.on.ca/kindergarten) to begin the registration process. Once registered online, we will give you a call to set up an appointment at the school to verify documents and learn more about your child.

## TSO TRIP - SAVE THE DATE! - Feb. 25/26

We have a whole school trip to the Toronto Symphony Orchestra planned for Wednesday, February 25! Students from Kindergarten to Grade 5 will attend a performance of "Let's Dance" which promises to be a high-energy interactive concert that will get everyone dancing in their seats. The EMA consent forms went out earlier this week. Please be sure to fill out the consent form and make payment on school cash online. We are looking forward to the performance!
