Learning Highlights

This week, Ms. Foley showcased many of the new books we have available in our library for students to borrow. There are many excited students eager to dive into a new book.

Yard Conditions

As I'm sure you have noticed, our school yard and field are quite a mess with the melting snow and then freezing again overnight when

the temperatures drop. Ronnie salts outside all of the entrances each morning but the field and paved areas around the yard are still very messy and sometimes icy. Please take extra care if you are walking across the field. We are trying our best to keep the students dry but an extra pair of socks in backpacks next week is highly recommended.

[International Women's Day - March 8](#)

Several classes learned about International Women's Day this week. Students learned about the achievements of women across the world and how much has been accomplished as we continue to work towards gender equality. Happy International Woman's Day to all of the amazing Sunnylea women!

[Special Education and Inclusion Parent Engagement Sessions - March 2026](#)

The TDSB Special Education and Inclusion Department is pleased to offer various sessions for parents/caregivers this March. Please find additional information [in this flyer](#). All parent engagement sessions for the 2025-26 school year can be [found on the TDSB website](#).
