Dance-a-thon!

The dance-a-thon today was amazing! The students had so much fun! THANK YOU so very much to our fundraising committee and parent council for their hard work to make this happen! Mr. Davidson was an awesome DJ and we have some very talented

dancers at Sunnylea! Students and staff and parent volunteers had a blast! THANK you to all who collected sponsors and donated. We will share the amount of money raised for the school as soon as it is finalized. We also had many sponsors from different businesses in the community and we are so grateful for their support of our event!

Fire Drills

Every fall and spring, we are required to conduct 3 fire drills at school. Next week staff will review these important procedures and we will do our first practice on Wednesday morning (weather permitting). This year, we are being asked to complete all 3 drills by May 15.

Sprout Circus/Cooksmart

As mentioned in a previous update, we will be having gardening and cooking workshops on May 12 for all students. We are super excited that Sprout Circus will be coming to our school and have some great hands-on activities planned to engage your students in some incredible learning! Next week, students will bring home a permission form to be completed by families which will allow them to participate in the workshops.

They have asked us to collect the following items from our recycling bins:

Kindergarten to Grade 2 classes: Per CLASS

- **6 Large Yogurt containers (750ml)**
 - 1 per every 4-5 students

If your child is in JK-2 and you can send in any yogurt containers, that would be wonderful!
