### **Thank You Volunteer Drivers!**

Thank you to all of our parent volunteer drivers for all of your time and support transporting students to and from various sporting events. Your help saves the school a tremendous amount of money on bussing and your cheers and positive vibes help to make our teams and sporting events fun and successful!

### **Remembrance Day Poppy Envelope**

Students and staff did a fantastic job of honouring our veterans at our Remembrance Day ceremony on Tuesday. Students sang and recited poems

to honour all who gave their lives for us to be able to live in peace in Canada. The legion supplied a poppy for every student to wear and students brought poppy donation envelopes home for anyone who wishes to donate. If you are able to place a small donation in the envelope, I know that the legion is always very appreciative of the support.

## Rough Play

This past week, we had conversations with many students regarding very physical play during recesses. We have reminded students that games involving tackling, throwing each other to the ground or jumping on each other are not safe and not permitted at school. If you could also support this message at home, it would be greatly appreciated.

## Fresh from the Farm Pick-up

If you ordered a basket from Fresh from the Farm, they can be picked up from the school on Thursday, November 27 at the end of the school day. We will send another reminder next week.

## Gingerbread House Fundraiser

Bring some holiday magic home! Purchase a locally made, prebuilt, nut-free gingerbread house kit for \$30 and join the fun by decorating your masterpiece over the break. Send in a photo of your creation for a chance to win a class pizza party! 🍕

 Order by November 26 |  Pickup on December 15  
Please see the flyer for all the details!
