P.A. Day - Staff Learning

Today our staff participated in Ministry Professional Development focused on eliminating racism and how to deal with discrimination and racism in our schools. We also spent time learning about Artificial Intelligence and how it can affect our teaching practices as well as safe use of AI for students.

Field Trips

When classes plan for field trips there are several steps that staff need to fulfill to arrange the trip and there are 2 steps for parents/caregivers to complete. There is the consent to attend the trip which is through EMA (Excursion Management Application) and the payment (if there is a cost) through School Cash Online. Please be mindful that both steps need to be completed before the day of the trip. In order for a parent to volunteer on any trip, they must have completed a police record check. The link to request a police record check is above along with links to EMA and cash online.

Dismissal - 3:25

Classes are dismissed at 3:25 and we have staff on duty until 3:40 p.m. Students who have not been picked up, wait with the staff member on duty until they return indoors. If you arrive at school to pick up your child and it is past 3:40, and there is no staff on duty, please come to the main office as any students that have not been picked up will be waiting outside the main office.
