Parking:

Parking has been a persistent issue and is becoming increasingly problematic. Cars are prohibited from entering the parking lot, which has led to vehicles attempting to turn around in areas where students are crossing. This has resulted in several near-miss incidents involving students.

We kindly remind parents and guardians to park away from the school, including avoiding street parking that leads to the parking lot. As winter conditions worsen, snowbanks will be created by plows, making it even more challenging for buses to maneuver safely. For the safety of all students and to ensure smooth traffic flow, please refrain from parking close to the school. Cooperation is greatly appreciated.
