

THESTUDENTSCHOOL Timetable for 2020 - 2021
Quad Version

The ongoing Corona Virus situation has forced us to make some changes to how our courses are scheduled.

Our new timetable meets the provincial and TDSB mandated Quad format for secondary schools. This is the official timetable for the 2020/2021 school year.

Please note:

- There are now **two Quads per Semester**.
- **Students can select up to TWO courses in each Quad; *one from the Class 1 list and one from the Class 2 list.* (see below) It is not possible to select more than one from either CLASS list.**
- Students will be assigned to one of two Cohorts, they will take all their classes with students in their Cohort ONLY. Each Cohort will have the same selection of courses.
- The maximum number of credits a student can earn at THESTUDENTSCHOOL is now four per semester (2 per Quad).
- Regrettably the Wednesday program has been cancelled for at least the first semester.
- Our guidance staff advisor program will continue with virtual meetings between the student or parents and the teacher advisor. These will be scheduled as needed.

Semester 1

Quad 1 (Tuesday September 15 to Wednesday November 11)
