Andrea Chisholm, Principal

April 3, 2020

Dear Tom Longboat Families,

We are very excited to let you know that our teachers have their virtual learning environments established, and many have already started posted welcome-back messages! I know that the majority of families have made contact with staff at some point this week in preparation for Monday's Phase 2 of learning at home. Understanding that many family members will have to share a device, most of the lessons for your children will be able to be accessed throughout the day, to permit flexibility based on family need. Be sure to reach out to your child's teacher if you require some additional considerations.

A few families have indicated the need for technology. If you have not yet done so, please refer to the email sent from the TDSB on March 29, 2020. There is a link you can click on to request access to technology. The school board is hoping to deliver a device to each family who requires one within the next week or so.

As always when school is in session, please feel free to reach out to your child's teacher if you have any questions. If you require support to do so, please remember to send me an email at andrea.chisholm@tdsb.on.ca, and I will be happy to assist with making the connection.

It is supposed to be a lovely weekend. Try to get outside and take a walk with your family. Be sure to stay safe and practice social distancing staying at least 2 meters (6 feet) away from others.

We look forward to "seeing" all of your children on Monday.

Sincerely,
Andrea Chisholm
Principal
Tom Longboat Jr. PS
