

Welcome!

Grade 1 & 2 Families of Room 103

My name is Dianne Borsk and this year I will be one of the teachers for your child in room 103.

Despite all the challenges we are facing right now, I am very excited to be working with your children! I will be seeing the students everyday for a variety of subjects. While in class with me the students will learn about Music, Drama, Dance, Physical Education and Health. If you would like more details about the topics being covered please contact me by email. I have included a link to the Ontario Elementary Curriculum Documents below.

Things are looking a little different this year. With the health and safety of all students and staff being a priority, there are changes in how the subjects are being taught and practiced. While we are covering the curriculum be assured that the children will be engaged in learning while adhering to the safety requirements recommended by the TDSB.

If you have any questions you can contact me at:
