

Entering From or Returning to In-Person Learning (Elementary)

We recognize that parents/guardians and/or students may want to switch between in-person learning and Virtual School. It is important to note that, for health and safety reasons, and because of the impact switching would have on staffing, physical distancing and space allocation, it will not be possible to immediately transition between the two models. As a result, an opportunity to enter the Virtual School or to return to in-person learning will be provided at three key dates during the school year, as outlined below.

Movement from one model to another will be requested through the Principal of the student's home school. If a switch is required outside of the designated times, a limited number of exceptions may be made and will be reviewed by Principals on a case-by-case basis.
