CALL OUT - VOLUNTEERS NEEDED FOR FUN FAIR, JUNE 4TH

Calling all parents/guardians/caregivers and families with older children who need to fulfill volunteer requirements: **Frankland's Fun Fair needs YOU!**

Frankland's School Council still needs volunteers to ensure that this year's fair is memorable for our kids. Each year, we rely heavily on our amazing parent community to help on the day.

Currently just over 40 volunteers have signed up. The Fun Fair's success hinges

on the large troop of dedicated & enthusiastic family volunteers to fill the **143 volunteer spots** that are required to help run the activities. **We can't do this without the support of our Frankland families!**

Volunteers can sign up to serve food, run a game, sell tickets or supervise a bouncy castle. **It's fun, easy and social.** Volunteer shifts are approximately 2 hours in length, which still leaves lots of time to enjoy the Fun Fair with your families.

Did you know: About the Student Census?

Did you receive an email recently reminding you to complete the Student Census but haven't gotten around to completing it?

Here's a brief summary about the Student Census:

The Student Census is: a confidential and voluntary survey that asks students important questions about their identity and their school experiences.

The purpose of the Student Census is: to identify and remove systemic barriers which may limit student achievement and well-being. By gathering this important information every 4-5 years from students and parents/guardians/caregivers, school communities are able to determine what is working well, where change is required and where supports should be focused.

The Student Census is instrumental because: it can highlight various forms of systemic oppression and complex issues of human rights that impact students and families in the TDSB.

This work is being encouraged and mandated for all school boards in Ontario under the Provincial Anti-Racism Act.

Please check your email for TDSBStudentCensus@gmailserver.com and complete your Student Census survey on behalf of your child if they are in Kindergarten to Grade 3, or remind your student in Grades 4 to 8 to complete it before the year is over!

For more information, please visit www.tdsb.on.ca/census and read the Student Census Questions and Answers.

(Falcon Highlights cont'd)

Families with older children who are looking to fulfill school volunteer requirements are also welcome to volunteer on the day! Please note: some activities require an adult volunteer only. These shifts are indicated when you sign up.

To volunteer, please sign up online at <https://signup.com/go/COgvukM>

Frankland's High Seas Musical Costume Reminder

This has been a very exciting time for Ms. Julie Stanley, Frankland's music teacher, and all the students in the school as they prepare for the first musical theatre production in many years! The **High Seas** cast members have been rehearsing at lunch and prepping for two upcoming shows on **Thursday, June 8th, 2023 at 9:15 am** (for Primary grades 1-3 and String family members) and **Friday, June 9th, 2023 at 1 pm** (for Junior grades 4-6 and Band family members). Parent volunteers have also been meeting weekly to organize and create stage sets, putting together existing costumes and even sewing costumes by hand for cast members!

Health and Safety

To keep our Falcons safe, Frankland asks Falcon families to start their visit at the office.

The school is a busy place and Frankland tries its best to maintain a safe environment for the staff and students.

This is a kind reminder that **after the school day has started, please start your visit at the front entrance and ring the door bell for the office staff.** They will meet you at the front door, check-in your child and take younger students to class.

Frankland also understands that you may need to bring your child inside (i.e., dropping off medication, delivering a message to the office staff, accompanying a hesitant child, etc). In this case, we ask that you come directly to the office and check-in with the office staff.

Thank you for your cooperation in keeping our Falcon Families and staff safe!

(Falcon Highlights cont'd)

It will be an unforgettable experience for all Falcon families involved with Ms. Stanley's production.

A reminder from Ms. Stanley about costumes:

*All members of the **cast** have a costume being provided by the school and volunteers.

*For **all** grade 1-3 classes, and for 4-6 students who are in the choir (not the cast) please see below. **Remember to keep it simple! The idea is to use things you already have and to share with friends...no need to purchase anything!**

Stage Crew: Regardless of class, wear all black

Pirates: Ms. Laforme, Mr. Fortis, Mr. T and Bieler

Black/brown/gray pants/skirts with a black or red top. (You could turn a shirt inside out if it has any print) Any accessories or face paint you want to add are a bonus but not a necessity

Sea Creatures: Ms. Gurney, Ms. Waithe and Ms. Dwyer

Any colourful clothing! For example, if a child wants to be a clown fish, they can wear orange, sharks could wear gray, a turtle could wear green and so forth...any added accessories or face paint are welcomed but not required. (Again, shirts can be turned inside out to avoid any print or designs)

Sailors: Ms. Byca, Ms. Campbell, Ms. Kraft

Dark pants (navy blue, black or dark gray) and a white top. (Shirts can be turned inside out to be all white with no print or designs)
