

## RAFT Follow-up

Complete the RAFT assignment that best lets you share your discoveries about “Habitats: Looking at Patterns” and your visit to the Warren Park Community.

|          | <b>Role</b>       | <b>Audience</b>  | <b>Format</b>   | <b>Topic</b>                                    |
|----------|-------------------|--|---|---|
| <b>1</b> | A migrating goose | Friends and/or relatives back home   | letter with photos                                    | A perfect pit stop!                             |
| <b>2</b> | City Promoter     | My Community’s residents   | brochure (with a map and photos)                      | Respecting and protecting our green spaces      |
| <b>3</b> | A Tree            | Self   | personal diary (with photos)                          | The Changes I’ve Seen!                          |
| <b>4</b> | Yourself          | Students at your school who did not participate in Habitats: Looking at Patterns | Presentation (ie, slide show, movie, commercial, etc) | My Discoveries in Habitats: Looking at Patterns |
