Ready, set, play!

Introducing TVO mpower!

- mPower is a creative online game that teaches fundamental K-6 math skills while enabling students to have fun and learn more about the world around them.
- Based on Ontario Curriculum

tvo
mPower

Who we serve

- Ontario students (k-6) who are curious about the world around them
- Ontario educators who want to foster K-6 math learning in the class and help students feel confident about math

Why choose TVO mPower

Developed by the creators of award-winning TVOkids, TVOmPower is:

- Learner-centered
- Assessment-driven
- Ontario curriculum-based
- A safe, advertising-free play space
- Free for eligible Ontarians (Publicly funded schools)

TVO mPower games

- Lead students through creative age-appropriate worlds designed to develop and expand their cognitive development
- Help students practice the big ideas in Ontario's math, social studies, and science curriculums.
- Track student progress and respond to learner needs

Everything is completely FREE!

- Play My Street!
- Play My Town!
- Play My Clubhouse!
- Play My Ontario!
- Or explore using quickplay!

Have Fun!

Customize your character! There are over 24,000 different combinations to try! Level up your character to unlock new items and outfits! Dress up like a dinosaur or even a pirate!

Expand your math skills!

Work on angles while cleaning up rivers! Keep nature clean! Earn shapes to build a variety of buildings! Use all of the operations to find out how many shapes you will need for which buildings! There are different levels of difficulty for different grades from Kindergarten to Grade 6! Learn directly from the Ontario Curriculum

Active Challenges

Building a Gas Station

Fill 'er up! The gas station will come in handy for townspeople who are running on empty or in need of an auto repair.

Objective Daphne Axle Ruiz

 1. Travel to Ottawa and help Holly Mercredi.

Garbage Getter

 2. Build the Gas Station in Springhill.

Hint

Return to your town.
