

#### DO YOU KNOW STUDENTS WHO...

- have become disengaged or unmotivated with school?
- would be inspired by project-based learning?
- have low credit accumulation?
- need a few credits to graduate?
- have personal barriers that make school success difficult?
- prefer rich, final tasks instead of exams?
- are between the ages of 16-20?
- could benefit from TTC tickets, a full-time Child and Youth Counsellor, and daily snack & lunch?
- would find a school on the subway line convenient?
