School Council News – Spring 2022

Hello Weston Memo Families!

It is hard to believe we are only a few weeks away from the summer break. As the 2021-2022 school year winding down, there are a few items we would like to share with you.

Plantables Fundraiser

Thanks to everyone who has participated in the Plantables fundraiser! The funds raised are being used for native, pollinator-friendly perennial plants for the 5 planters in the primary yard. Plans are in the works for the planting day and all kids at the school will have the chance to make an ornament that will decorate the sides of the planters. We are excited to bring biodiversity and colour to the school yard and hope the planters will be something for the entire school community to enjoy. If you are still interested in placing a Plantables order for your own veggie garden, please do so prior to June 13th in order to help support this initiative. Use the following link to place an order: <https://plantables.ca/for/wmplants>.

School By-laws

A special thank you to the members of the By-law committee who have been working on the revisions as requested by the TDSB. The TDSB Regulation 612/00 15 (1-3) of the Education Act indicates that a School Council may make By-Laws governing the conduct of its affairs and that every School Council shall make the following By-Laws:

- By-Laws that govern election procedures
- By-Laws that establish rules respecting participation in Council proceedings in cases of conflict of interest;
- By-Laws that, in accordance with any applicable policies established by the Board that established the School Council, establishes a conflict;
- Resolution process for internal Council disputes.

The committee will share the completed draft of the By-laws with the school community on June 1st for review and consultation. We will vote to accept the completed By-laws at the SAC Meeting on June 9th.
