School Advisory Council News – October 2020

Message from 2019-2020 Council

The School Advisory Council is proud of the programs and events we supported last year despite having to end the year abruptly in March due to Covid19. A special thank you to the outgoing executive council for their hard work and dedication:

Julie Bisson, Chair
Adriana Avramova, Vice-chair
Sheila Azevedo, Vice-Chair
Damon Groves, Secretary
Valerie Groves, Treasurer

We would also like to thank the individuals who signed up to be volunteers, who donated time and/or resources, and inquired about the council and fundraising opportunities.

Thank you to the staff and school administration for all your support. Our children are fortunate to have a passionate and caring group of educators to inspire them daily.

Welcome Weston Memorial families to the 2020-2021 school year! We would still like to extend a special greeting to the many new families that have joined our school this year. We hope you feel welcome and excited to be part of our wonderful school community. We also welcome back all our returning families. Whether you have chosen remote or in-class instruction we hope the return to school has been successful for your family.

As we begin a new year, we hope you will consider being involved in the Weston Memorial JPS School Advisory Council (SAC). The nominations for the Executive positions have already been submitted, however there is still many ways for parents to be involved.

School Council provides parent feedback to our staff and teachers, coordinates support programs, organizes events like the Dance-a-thon, as well as fundraising initiatives to finance special programs and resources at the school. With COVID protocols, our fundraising efforts may look different this year, however, parent feedback is valuable for school operation decisions.

School Advisory Council Meeting Wednesday October 21st @ 6:30pm

Our first SAC meeting of the year will be taking place virtually on **Wednesday October 21st** at 6:30pm via ZOOM.

We need support from all our parents and families. We welcome new faces and encourage parent participation.

Your input and suggestions are important to us. Please let us know what you would like to see from the School Advisory Council.

If you cannot attend the meeting(s), but have something to contribute please email;
