School Advisory Council News – October 2021

Welcome Weston Memorial families to the 2021-2022 school year! We would like to extend a special greeting to the many new families that have joined our school this year. We hope you feel welcome and excited to be part of our wonderful school community.

## School Advisory Council Nominations

As we begin a new year, we hope you will consider being involved in the Weston Memorial JPS School Advisory Council (SAC). The nominations for the Executive positions can be submitted until Oct 21. All parents/caregivers are invited and encouraged to get involved.

School Council provides parent feedback to our staff and teachers, coordinates support programs, organizes events like the Dance-a-thon, as well as fundraising initiatives to finance special programs and resources at the school. With COVID protocols, our fundraising efforts may look different this year, however, parent feedback is valuable for school operation decisions.

Please click here to find out how you can get involved!
