from the principal

It is with great anticipation and excitement that I welcome you to the 2016-2017 school year at Whitney P.S. It was a pleasure to see both familiar and new faces on the first day of school. I continue to feel extremely blessed to have the privilege of working alongside knowledgeable and dedicated parents and staff who hold high expectations and continue to raise the bar for students and themselves. I continually challenge myself, as well, to grow and place high expectations on students both socially and academically.

I look so forward to seeing all of your children and being a small part of their lives. Like the desires I hold for my own children, I want the very best for each of your children. Please do not hesitate to share your thoughts regarding your child's school success. Your concerns, ideas and positive comments are appreciated and respected. Communication is vital to their success and to our overall growth and sense of community here at Whitney. Thank you again for your continued support. I am looking forward to another great year!!

Debbie Stern

Want to report a student absence? Want to know when the deadline is? Need a copy of a field trip form?

Save yourself a call and program allison.walker@tdsb.on.ca in your smartphone and email Allison in the office for any of your Whitney School needs.

school hours

Morning Session	8:42 am
Morning Recess	10:05 – 10:20 am
Lunch	11:30 – 12:32 pm
Afternoon Session	12:35 pm
Afternoon Recess	1:55 – 2:10 pm
Dismissal	3:20 pm

school calendar 2016/17

The official school year calendar for the Toronto District School Board runs from September 6, 2016 to June 29, 2017, incl.

First day of classes for all students is
September 6, 2016

The last day of class for elementary students is
June 29, 2017.

Forms and Notices

Many forms have been sent home with your child this week that require your attention. Please review the following forms and return them to your child's teacher by Monday Sept 12th:

- lunch registration form (grades 1-6)
- the medical information form (511E)
- walking excursion form (511H)
- physical education / intramural form (511K)
- media release form (529C).

Student Entrance @ 8:42am

This is a reminder to all parents and students that the school bell rings every morning at 8:42AM. Beginning at 8:30AM, we have 2 teachers on yard duty supervising any students who come to school early. We ask that all students in grades 1-6 and parents remain outside until the bell rings. At that time, all students will line up as they always do in front of their respective doors. Once students are lined up, the teachers on duty will open the doors.

During inclement weather, students are welcome to stand inside the main entrance doors until the bell rings. Unless a student has a meeting with a teacher prior to 8:42AM, we do ask that all students and parents remain outside until the bell rings as we do not have supervision inside the building before that time.

SCOOTERS, SKATEBOARDS, LONG BOARDS and BIKES This is a very important reminder for all students who bring their scooters, skateboards, long boards and bikes to school. Scooters, skateboards, long boards and bikes may be used to get to school, but are NOT to be used on school property. Students must walk their bikes onto school property and lock them up by the bike racks. Also, scooters, skateboards and long boards must be left outside under the overhang outside the main doors and not used between the hours of 8:30 and 3:45. Thank you in advance for your cooperation.

Library Volunteers

We are interested in having two parent volunteers come in a once a week to help with the book shelving and cataloguing in the library. If you would like to help, please email [Mr. Winter](#). No library experience is required but if you have previous experience as a library assistant, that is a bonus!

Jeffrey Winter

Junior Choir

Children in grade 4, 5 & 6 are eligible to participate in Junior Choir. Rehearsals will take place Mondays from 8 until 8:35am commencing Monday September 19th. Some plans for the Junior Choir this year include the Remembrance Day Assembly, the Winter Concert on Dec. 15th & a performance at a Seniors Residence. There may be other events announced. Students may get a permission form from Ms Werbitsky during music class.

Ms Werbitsky

safe arrivals

Please help us ensure that all children arrive safely at school by using the Safe Arrival reporting procedure **every time** your child is absent or late before 8:45am each school day.

There are two ways to report for Safe Arrival:

1. Call our Hotline number @ **416-393-9384**
2. Email **whitney@tdsb.on.ca**

For either option, please make sure you provide the following information:

- child's name
- child's room number (or teacher name)
- reason for absence or lateness

****NOTE**** Please do not call the main school number with Safe Arrival messages.

safe arrivals... what happens if you forget?

The TDSB has implemented a board wide elementary school Automated Call-out system for safe arrival. If you do not let the school office know about your child's absence or lateness, the system will call you for each reporting period (morning AND afternoon attendance).

Here's how it works:

1. System will call the student's listed "Home" number
 - If someone picks up and follows all the prompts, no other calls will be made
 - If no one picks up, or all prompts are not followed, the system "cascades"
2. Cascade = system calls all numbers for both parents 3 times
3. System generates a report and notifies the school which students had successful call-outs and which students need follow up.

****NOTE**** Once the system starts the call-out process, it cannot be stopped by the school.

health & safety reminders

anaphylaxis

There are students in our school who have a potentially life-threatening allergy (anaphylaxis) to foods, predominantly peanuts and nuts. Please do not send peanut butter or products with peanuts or ANY nuts to school in your child's lunch or snack. If your child has peanut butter or any peanut product at home, they should wash their hands and brush their teeth before coming to school.

The medical form sent home with all students asks about health concerns, but if your child is anaphylactic and you have not informed the school, **please do so immediately**. Please continue to keep the school updated as medical information and/or needs change and **provide the school with two epi pens – one will be kept in the office** and it is recommended that we have an epi-pen in the classroom if a student is not carrying the pen with them at all times. Epi pens kept in the school need to be replaced by parents when they reach the expiry date.

epi pens

If your child requires an epi pen please make sure the office and classroom teacher is informed and aware of your child's needs and you have filled out the required paperwork. Students should carry their epi pen with them at all times and provide an extra one to be stored in the office. Please provide one to the office immediately (with your child's name on it).

medication

School staff cannot administer medication (Tylenol, cough syrup, antibiotics, etc.) unless the proper TDSB forms have been filled out by parents and signed some cases, by a medical doctor, giving permission and listing specific instructions for administering. These forms can be obtained from the office and upon completion will be kept on file in the office with all medication. Please call the office if you have any questions.

curriculum night

All parents and their children are invited to come and meet your child's teacher in an "open house" forum on Thursday September 22nd beginning at 6:30 pm. We will begin the evening in the gym with a welcome assembly and then teachers and students are invited back to the classroom to see the room and meet the teacher. Children will take their parents on a tour of the classroom...so be prepared to be dazzled! There will not be a formal presentation by the teacher, but all teachers will be available to answer any curriculum questions you may have in the classroom. As well, teachers will have handy dandy handouts to provide you with more information about the curriculum content for the school year. As always, if you have any questions, please feel free to contact the school.

6:30-7:00 Assembly in the Gym

Come and meet the principal, all staff and parent council to hear about our school wide initiatives and specialty programs for 2016-17.

7:00-7:45 Classroom Open House

All parents and children are invited to visit classrooms to see the room, activities, meet the teacher...etc. Please feel free to roam the school and visit our specialty classrooms as well including our music room, gym and French room!

JK/SK Alex Steane room 208
JK/SK Joanna Karadimas room 209

W

elcome to the 2016/2017 school year at Whitney Public School. We hope you've enjoyed your summer and are ready to start an exciting new school year at Whitney!

The School Council (WSC) and the many parent volunteers are ready to make this year a memorable one. Plans for action packed SPA days, Lunch Time and After School programming, the Terry Fox Run and Harvest Fest are already underway. We are very fortunate to be part of such a vibrant school community with so many events and extra activities. The success of Whitney events and enrichment activities hinge largely upon your financial and voluntary efforts.

**greetings
from the
school
council**

Our first GENERAL council meeting will be in the school library at **6:30PM on September 26th**. Please attend - this is your chance to get important updates from our Principal and the School Council on decisions that are being made to support the learning and growth of our student body.

We welcome all comments, suggestions and questions.

The Whitney Community is a fun and dedicated group of parents and caregivers that help to make a HUGE difference for our kids.

All of us on council are looking forward to a fun-filled year!

K-8 @ Whitney?

Don't miss the GCM September 26th

Representatives from the TDSB Planning department will be coming to our GCM on Tuesday September 26th to speak to us about a public process that is anticipated to commence later this fall that will include Whitney Jr. PS. The review will explore introducing a grade expansion at Whitney Jr. PS from JK to grade 6 to JK to grade 8, to which Rosedale Jr. PS could also become a feeder school. Currently both schools feed into Deer Park Jr. & Sr. PS for Grades 7 and 8. The intent of the discussion is to be proactive in communicating with the community about the process and to provide an opportunity for some preliminary questions and discussion.

Don't forget:

terry fox 2016

Dear Whitney Parents, Grandparents and Caregivers,

This will be the 26th consecutive year that the Whitney community has supported The Terry Fox Foundation and the legacy of Terry Fox. This year's run will take place on **Tuesday, September 27th** (storm date **Wednesday, September 28th**).

The Run will take place after morning announcements (approx. 9:10am).

All children from JK to Grade 6, and their parents and/or caregivers, are invited to participate. We need 35-40 volunteers in order for the Run to take place. We realize that many parents enjoy running with their children, however we ask that you please consider volunteering to help this year to ensure a safe and successful event. Those who have participated over the years have found it to be a fun and worthwhile experience. Volunteers are asked to stand along the route to make sure the students are safe and on course.

Please email [Shelley Moretti](#) if you are able to volunteer with this year's Run. In your email please include if you would prefer to be placed in Moore Park or Rosedale, or if you would like to be a driver.

Thank you from the Terry Fox Committee
(Patti Ann Allen, Shelley Moretti, Charlene Klein)

Volunteers!

2016 Shirts for Sale! They will be sold on Wednesday September 21, Thursday September 22 and Friday September 23 in the mornings before school on the playground.

Prices are \$20 for all sizes (except 6X which is \$15)
Cash or cheque payment accepted.

WEEK OF INSPIRATIONAL MATH

Sept 12 to Sept 16

We are so excited to share with you our version of the “Week of Inspirational Math” (WIM). This school-wide initiative from Kindergarten to Grade 6 students involved in 5 math open inquiry lessons! Implementing these Inspirational Math days stems from staff building upon teaching practices that develop a Growth Mindset when students approach new learning.

Part of our professional learning has been to further our understanding around what it means to have a Growth Mindset and how it can improve upon student success!

Generally, a Growth Mindset is the concept of understanding that the brain has an incredible ability to grow and change *regardless of age* – also called brain plasticity!

So, as a school, we have decided to embark on using the math lessons developed by Stanford’s University, called Week of Inspirational Math (WIM). These 5 open-ended inquiry lessons are what we might call “low-floor/high-ceiling” activities where ALL students have multiple entry points to participate regardless of math level or initial concept understanding. The accompanying videos introduce the overview of learning.

Parents are encouraged to talk with your children with regards to the math they will be learning next week. As well, when you come to our Curriculum Night on September 22nd, you will have the opportunity to see the results of this exciting week!

If you have any questions, please feel free to contact me at the school.

In the meantime click on the video link and watch [The Power of Yet](#) .

Day 1- Monday September 12th
Topic: Growth Mindset

Day 2 Tuesday September 13th
Topic: Brain Crossing

Day 3 Wednesday September 14th
Topic: Speed

Day 4 Thursday September 15th
Topic: Patterns

Day 5 Friday September 16th
Topic: Mistakes

Drop everything and “Mind Up!”

As a part of our health and wellness focus and in support of the Health/Physical Education Ontario Curriculum, we are continuing to offer this great opportunity in all our classes – JK-6. The support curriculum being used by all teachers is called “MindUp – Brain focused strategies for living and learning”.

Since September 2014, for one period per week, for 30 minutes, all students at the same time, will participate in this comprehensive, classroom-tested, evidenced based curriculum that fosters social and emotional awareness, enhances psychological well-being, and promotes academic success.

The activities are fun, interactive and grade appropriate. Broadly defined, mindful attention centers on conscious awareness of the present moment by focusing our attention and controlling our breath to reduce stress and optimize the learning capacity of the brain. If you are interested in learning more about “MindUp” and some of the exciting activities happening in the classrooms, please check out their website at thehawnfoundation.org and or speak to your child’s classroom teacher for more information. If you have further ideas and ways to support, please do not hesitate to share with us.

DPA: Daily Physical Activity

@ Whitney ...back by popular demand! Almost 10 years ago, Education Minister Gerard Kennedy at that time, announced that every elementary student will take part in a minimum of 20 minutes of daily physical activity as part of the government's Healthy Schools Program. Since 2005, Whitney students have participated in this program by attending regular Physical Education classes as well as being involved in numerous team sports, cross country running, track & field activities.

A few years ago, we introduced EXTRA DPA (Daily Physical Activity) for all students and it was well received by all! So, back by popular demand, we will continue with our “divisional” physical activity program! Twice a month, for 20 minutes, all primary and junior students as a division, will participate in a fun filled physical activity exercise with our specialty teachers. This twenty minute period will occur just prior to lunchtime and will be held either outside (weather permitting) or in the gym. Through the lunch hour,

alone we can
do so little.
together we can
do so much.

- hellen keller -

Staff Welcome Breakfast

On behalf of the Whitney staff, I would like to thank the Whitney School Council for a wonderful breakfast on Friday September 9th! Your kindness and support for all we do is very much appreciated! We are very excited for the 2016-2017 school year! Thank you again!

Debbie

HOT LUNCH

The Hot Lunch Program at Whitney is available to students in Grades 1-6 and is catered by The Lunch Mom. The Program starts on Monday, Sept 12th.

You may have seen a purple form go home this week. If your child wishes to participate, please return the form and a cheque payable to "TLM Catering" by Friday, September 9th.

If you are unable to meet this deadline, it is not too late to join; please email the caterer, [Tricia Tait](#), directly. Please direct all questions regarding the menu or invoicing anytime to Tricia Tait.

Welcome Back Message
from Trustee **Chris Moise**

harvest fest

Thursday September 29, 4-7pm

volunteers needed!

Everyone is welcome - Whitney families, friends, and alumni too! There will be delicious food, from burgers and hot dogs to smoothies and baked goods. Your kids will not want to miss the bouncy castles, face painting, wacky hair do's and more!

Please help us make Harvest Fest a memorable start to the year. We are looking for volunteers from all grades to take on part of the Festival.

For questions, you can contact the lead supervisors [Jill Spidle](#), [Ros Wilson](#) and [Sam Tremaine](#). Thank you in advance for your contribution!

Click [here](#)
to volunteer!

calling bakers

We are calling for bakers from all classes to make the evening as yummy as possible!

Please keep in mind that individual items will sell for \$1 each (please cut into pieces accordingly) and packaged items for \$5.

All baked goods must be nut and peanut free.

Baked goods should be dropped off in the teachers lounge by 1 pm on Wednesday, September 29th. To volunteer a baked item please click on the link above.

For questions, you can contact
Lisa Clark (lisadianaclark@me.com)

Thank you in advance for your contribution!

Harvest Fest
Poster Contest
is Back!

Calling all Whitney student artists... Show us what you love most about the Fall! Your posters will be judged on creativity, fall colors, and incorporating the spirit of the Harvest Festival.

They can be submitted on 8 1/2 by 11 sized paper (be sure to include your name and room number on the back)
Posters are due by Wednesday Sept 21 at the Main Office.

Welcome to Chang's Channel. My name is Ian Chang. I am new to Whitney and I will be taking over the Phys. Ed. teaching position until the end of 2016. I spent last year at Highland Junior High teaching Grade 7-9 Phys. Ed. and I'm very excited to join the great athletic tradition here at Whitney. I will be working with Asher and Whitney's amazing staff to organize and run the sports this year.

physical education class

In class I have been talking to the students about the **STARS** program that I will be running with them. **STARS** stands for:

During each class, the students in grades 1-6 have the opportunity to earn five stars. They will be competing against the other classes in the school, and at the end of two months, a prize will be awarded to the class with the most stars. One area students sometimes have a problem is not having the proper footwear. Please make sure that your child is wearing or has a pair of running shoes at school everyday.

team sports

There are a number of teams which Whitney will be fielding throughout the year.

September to December: Cross Country, Slo Pitch (boys and girls), Touch Football (boys and girls), Girls Basketball, Boys Volleyball

January to March: Ice Hockey, Boys Basketball, Girls Volleyball, Badminton

April to June: Track and field, Soccer (boys and girls), Ultimate Frisbee

To hit the ground running, both literally and figuratively, **see the next page** for a snapshot of the upcoming tryouts and practices for the following 2 weeks.

A form has been sent home with the students which needs to be filled in to allow for your child to try out and make any of these teams. Please return the form no later than **Monday September 12th**, as tryouts and practices will begin as soon as that afternoon.

If you are interested in helping with one of the teams, please do not hesitate to contact me.

I look forward to helping your kids find success in the classroom and on the field!

Ian Chang
