Raising money for Wilkinson through our shopping fundraisers is an easy way to help the school, as long as you can remember to use the links! We know that's easier said than done, so we've created these cutouts to help you. Simply print out this sheet, cut along the dotted lines and keep these cards near the devices in your home and office. The next time you shop, you'll see the cards and be reminded to visit our website first to get the fundraising link. Thanks for your support!

BEFORE YOU SHOP, REMEMBER: USE A FUNDRAISING LINK!
