

Willowdale Middle School

Thank you, School Council!

Our final School Council meeting took place on Wednesday, May 7th. We would like to thank our school parent council members for all their support throughout the 2024-2025 school year. With the pizza day fundraising hosted by our school council, we were able to purchase new items to enhance our programs for Language, Math, Science, Music and Phys.Ed., and our extra-curricular clubs. We appreciate all the support of our hard working and committed parent members. **THANK YOU!**

A special thank you also to our School Council for organizing a Staff Appreciation Breakfast for our committed and amazing staff members at Willowdale MS. The parents put together a delicious breakfast for us on Thursday, May 8th. Thank you to all the parents in our community who contributed baked goods, food items and/or donations to make this a beautiful event for us. We truly appreciated our parents' generosity and thoughtfulness!

Track & Field Event

Congratulations to the Willowdale Track and Field team on their amazing showing at the qualifying meet at Esther Shiner Stadium this past Wednesday! The team was practising very hard for the past few weeks, and it definitely showed as many of our athletes qualified for Conference final which will be taking place on June 4th. More importantly, all our athletes showed perseverance and determination and did a great job of representing our school!

Thank you to Mr. Adamski, Mr. Talbi, Ms. Douglas and Mr. Soriano for coaching the team. Great job, Wildcats!

Students attended an assembly where they had an opportunity to listen to some of the great things happening at Willowdale, and they received a tour of the school by some of our wonderful WMS student leaders.

A reminder that we will be hosting a virtual Parent Information Night for our parents of incoming students on **Tuesday, May 13 at 6:00PM**. We will forward a link to our feeder schools by Monday.

Student Drop-Off

We are asking parents for their co-operation when dropping off students in the early morning for music practice. Please do not drive into the north side parking area, nor the back of the school (school yard) when dropping off your child for music practice. This becomes a safety issue with students coming to school and for staff driving in the lot to park. Please drop off your child in the loop, or on the East side of the parking lot. We thank you for your co-operation in helping to ensure our students' and staff's safety.

Asian Heritage Month

Asian Heritage Month has been proudly recognized by the TDSB every May since 2007. The Province of Ontario celebrates it with the Asian Heritage Act in 2005, and it has been officially designated across Canada since May 2002.

This year's Asian Heritage Month theme, *Asian Canadians Up and Rising*, celebrates the strength, resilience, and achievements of Asian Canadian communities. It recognizes individuals and groups who have contributed to shaping Canada's past and present, while also highlighting emerging voices and future leaders.

For students and staff in the TDSB community, this theme serves as an opportunity to explore stories of perseverance and embrace the unique identities that contribute to both the school community and to the diverse Asian diaspora in Canada. By learning about and celebrating these diverse perspectives, schools can promote inclusivity, equity, and a deeper appreciation for Asian Canadians.

The TDSB is the largest and one of the most diverse school boards in Canada. Nearly one-quarter of students were born outside of Canada, and collectively, we speak more than 120 languages. According to the 2023 Student Census, 46% of TDSB students self-identified as Asian.

Asian Heritage Month Celebration with Trustee

There will be an Asian Heritage Month celebration hosted by Trustee Pei, Trustee Hastings and the Toronto Asian Parents Association at Earl Haig Secondary School on Saturday, May 3, 2025. For more information, please see the attached flyer on our website.

Jewish Heritage Month

When the Province of Ontario passed the *Jewish Heritage Month Act* in 2012, it recognized the important contributions that Jewish Canadians have made to Ontario's social, economic, political, and cultural fabric.

Since its inception in 2015, the [TDSB's Jewish Heritage Committee](#) (JHC) aims to do just that. The Committee aims to celebrate Jewish heritage and culture in impactful, innovative, and inspirational ways for students - with the fight against antisemitism and all forms of hate providing the core goal of this work.

The JHC is pleased to present two educational programs for May 2025 that have been vetted and approved by TDSB staff.

Being Jewish in Ontario

This brand-new collection for middle and high school educators contains a 10-minute short film and lesson plans with supporting materials in English and French. It explores what it means to be Jewish today through the voices of youth and their family members.

Students learn how Jewish immigrants throughout Ontario built a sense of community, belonging, and opportunity during the early 20th century, despite facing societal exclusion. Through stories of individual and collective action, this history not only educates youth about a specific heritage, but also highlights a universal connection to the generational efforts that foster positive, lasting legacies for vibrant community life and contributions to all Canadians today.

Please visit the [Being Jewish in Ontario](#) website to access the film and learning resources. Being Jewish in Ontario is a partnership between [Facing History and Ourselves](#) and the [Ontario Jewish Archives, Blankenstein Family Heritage Centre](#).

The Children's Republic

This play is written by Canadian playwright Hannah Moscovitch and produced by the Harold Green Theatre Company and Koffler Arts. It casts local Toronto actors, including high school students, and relays the heartfelt and inspirational tale of [Dr. Janusz Korczak's](#) selfless journey to bring safety to Polish-Jewish orphans within the Warsaw Ghetto. His struggle to advocate for children's rights and shelter his orphans from the horrors of the Holocaust ended with his death in 1942. The Children's Republic is a powerful and true story of beauty, heroism, and legacy in a world devoid of freedom and even the necessities of life.

[Please see the play's flyer for locations, dates, and times.](#) The JHC is offering complimentary tickets for TDSB secondary school students. Seating is very limited, so please register as soon as possible. For more information, please contact Shari Schwartz-Maltz at shari.schwartz-maltz@tdsb.on.ca.
