

Dear Parents, Guardians and Students,

I hope and trust that you had a good winter break and that you and the members of your family are healthy and well.

The province has been in the Grey (Lockdown) Zone since Saturday, December 26 to further slow the spread of COVID-19. In Toronto and the rest of Southern Ontario, that lockdown will remain in place for 28 days.

The government has said that all elementary schools in Southern Ontario, including those at the TDSB, will be closed to students until Monday, January 11, while **all secondary schools will be closed to students until Monday, January 25. During this time, all in-person schools are shifting to remote learning, while virtual schools will continue as normal.**

All students are expected to log onto their classes at the scheduled times as listed below. **Monday, January 4th is a DAY 1.** There is **no excuse to be late** logging onto your class. Attendance is being taken and phone calls will be made for students who do not attend class and/or are late for classes on a regular basis.
