

To Students, Parents and Guardians,

IMPORTANT - Please read this entire email.

Please see below a message being sent directly to you by the TDSB in regard to your timetable and a message from York Memorial Guidance Counsellors regarding student timetable changes. In addition, there is a link at the end of this email inviting students to a google meeting taking place this afternoon at 1:30pm hosted by Principal Drummond. The purpose of the meeting is to walk you through things that you need to be aware of when returning to school and to answer any questions that you may have.

NOTE: Timetables are being sent out centrally by the TDSB Tuesday, September 15th and Wednesday, September 16th. **You will receive the following message with a personalized link to access your timetable.**

*“To access the timetable, you will be required to enter a **password which is the birthdate of the student**. The format must be **MM/DD/YYYY**, including the forward slashes. Example: **05/03/2004** for the birthdate May 3, 2004.*

To access the student timetable, please click the link below or copy and paste the entire link into your browser then enter the password when prompted”.

YMCI Guidance Counsellors Message

Welcome back everyone, we have missed you. As you look over your new timetables please remember a few important details:

1. We had 200 students transfer over to Virtual school and this forced us to cancel and/or close 45 classes. This of course means much less choice at ALL grade levels and unfortunately, it has been impossible for all students to get all of their top choices of courses.
2. We have worked very hard to ensure that ALL students have their appropriate compulsory courses and that everyone has a FULL timetable.
3. If you want to DISCUSS possible timetable changes you MUST fill out the attached google form. There will be NO opportunities for students to simply “drop” into the Guidance office for schedule changes.
4. It is our top PRIORITY to work on the first quadmester right now so if you are SATISFIED with your first two classes please be patient and we will have lots of time later on in September and October to look over the rest of your timetable.

5. Please DO NOT email your Guidance counsellor with timetable requests as previously suggested but INSTEAD, please fill out this google form.
