### Principal's Message

Dear Wonderful Yorkview Families,

Hard to believe that March has come and gone. It has proven to be a very busy one, even though we had the break for a week in the middle of it.

Our students were engaged in a variety of learning activities this month. There was our monthly assembly, our visit from the fire fighter, the big crunch and dental screening among other things. It is exciting to walk around the school and to see the learning going on in each room. Our educators are working their magic to meet each learner where they are on their learning continuum and to have a plan to move them forward.

In the upcoming weeks we will begin planning for the following school year. If you have any special request in regards to the placement of your child for the 2023/2024 school year, please send me an email outlining the rationale behind the request. Please know that although every effort is made to honour parent requests, it is not a guarantee that I can make.

I wish everyone a wonderful weekend ahead.

Warmly,

Tina Weinberg - Principal, Yorkview P.S.
